

chocolita: moontime rose bars

Chocolatier Sarah Ann Lesslie, is making a new kind of chocolate bar for women: the Moontime Rose bar - a raw dark chocolate medicinal bar with herbs and superfoods especially for women during their moon cycles to balance hormones and ease cramps.

Sarah hand crafts and pours her delicious and healthy raw chocolate bars in Sedona, AZ. With years of experience as a chocolatier, Sarah has recently come out with her own line of amazing chocolate bars - most of them are white chocolate bars, creating her personalized touch to the raw chocolate business. The exception is the

Moontime Rose bar, the one dark chocolate bar she currently sells, though also a unique offering to the world of cacao lovers - and a feminine favorite!
